

PFLÜGER - SAFETY

THERMO
PLAST

Benefits

- Protective property down to -20°C for use in low temperatures (e.g. outdoors in very cold conditions)
- Optional: Protective property down to -30°C For use in very low temperatures (e.g. cold storage freezers)
- Very comfortable to wear and secure fit due to ergonomically formed height-adjustable internal fittings
- Side ventilation (adjustable)
- Eco leather sweatband
- Rain gutter

EUROGUARD

Additional benefits

- Increased lateral strength due to double-wall internal profile
- Large printable areas (for company logo etc.)
- Slightly lengthened neck section
- Numerous colour variants
- Low weigh with optimised protective area

MASTERGUARD

Additional benefits

- Extensively proven construction safety helmet
- Large protective surface due to helmet with extended neck section

NOTE
Printing and mounting is only possible for the 6 point variant with screw closure

EUROGUARD
